

HONORING MS. MELISSA ANTINOFF ON BEING NAMED BURLINGTON COUNTY'S TEACHER OF THE YEAR BY THE NEW JERSEY DEPARTMENT OF EDUCATION

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2019

Mr. KIM. Madam Speaker, I rise today to recognize Ms. Melissa Antinoff, a devoted educator who has helped shape the minds of New Jersey's youth throughout her 19 years as a public school teacher. Ms. Antinoff was recently named Burlington County's Teacher of the Year by the New Jersey Department of Education for her tireless work as a 3rd grade teacher at Ashbrook Elementary School.

Passionate from an early age about working with and educating children, Ms. Antinoff has developed a classroom environment that fosters innovation, creativity, and self-confidence within her students. Ms. Antinoff recognizes the importance of reading to developing a child's sense of confidence and therefore strongly encourages independent reading in her classroom. She credits this practice with instilling in her students greater self-esteem and willingness to take risks in their other areas of study. Ms. Antinoff's colleagues praise her for her ingenious ability to integrate interdisciplinary elements, such as music, into her classroom as well as her eagerness to take risks in her instruction methods including granting her students the independence to work and learn collaboratively in small groups.

Ms. Antinoff is a prime example of the kind of teacher who goes above and beyond to ensure that the well-being of the entire student, including his or her emotional and mental needs are attended to just as much as his or her academic needs. Above all else, she wants her students to have the confidence to enjoy school and feel safe and secure there so that they can learn and grow creatively. For these reasons, I am proud to honor Ms. Antinoff for her efforts and sincerely thank her for the positive influence she has had on countless students throughout her distinguished career.

RECOGNIZING BEN FERENCZ

HON. THEODORE E. DEUTCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2019

Mr. DEUTCH. Madam Speaker, I rise today to recognize Mr. Ben Ferencz. Ben is the last living Nuremberg prosecutor and is also celebrating his 100th Birthday.

Born in Transylvania in 1920, Ben immigrated to the United States and attended public schools in New York. He won a scholarship to Harvard Law School where he worked as a research assistant for a professor writing a book on war crimes. He received his degree in 1943 and promptly joined the U.S. Army as a private in the artillery. He was awarded five battle stars for not being killed or wounded at Normandy Beach and every major campaign in Europe.

As the war was ending, he was transferred to General Patton's HQ to serve as a war

crimes investigator. He entered many Nazi concentration camps as they were liberated and the horrors he saw made an indelible impression. When he returned home, he was recruited by General Telford Taylor to return to Germany to help in the additional war crimes trials.

He was appointed Chief Prosecutor in what was aptly described as the biggest murder trial in history—the "Einsatzgruppen case." All 22 defendants, including six SS Generals, were convicted of murdering over a million innocent men, women, and children. Ben was 27 years old and it was his first case.

Since then, Ben has dedicated much of his life to seeking compensation for victims and trying to prevent illegal war-making. He became a self-appointed personal lobbyist for peace, with countless lectures, publications, and speeches at many universities and in countries around the world.

Madam Speaker, today I am pleased to honor Mr. Ben Ferencz and his service to his country, his community, and the world. Happy Birthday to Ben.

**RECOGNIZING DR. ROBERT DANN
ON HIS RETIREMENT**

HON. MIKE QUIGLEY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2019

Mr. QUIGLEY. Madam Speaker, I rise today to recognize Dr. Robert Dann, a beloved family man, a pillar of his community, and a lauded veterinarian, in celebration of his recent retirement. A 1979 graduate of the University of Illinois College of Veterinary Medicine, Dr. Dann shortly thereafter became an owner and director of Blum Animal Hospital, a mainstay of Chicago's Lakeview neighborhood. Over the course of four decades, Dr. Dann has served countless animals and their owners from across the city, seeing firsthand time and again the power for good that pets can be. After transitioning from several roles within the Hospital to spend more time with his family, Dr. Dann has remained practicing until today.

Ever since I was a kid visiting the Lincoln Park Zoo for the first time, a love for animals has been a through-line of my entire life. Since coming to Congress, I've had the privilege of defending endangered species and working on key animal protection issues; however, I've never forgotten just how much joy my family's own furry friend, our dog Scout, has brought us over the years.

Without caring and committed veterinarians like Dr. Dann, millions of pet owners across the country just like myself would not have the same happy memories that I do. Dr. Dann's work has been repeatedly recognized, including when he was named one of Chicago's top veterinarians. Beyond his contributions to the city's canine and feline populations, Dr. Dann has remained engaged in his community, sitting on the boards of two charitable foundations. Through his decades-long commitment to the veterinary medicine profession, and his work to support others in his community, Dr. Dann truly embodies the best of our neighborhoods and our city.

I thoroughly congratulate Dr. Dann on his forty-year career, on behalf of myself and the

thousands of animals he has cared for along the way.

HON. DANIEL MEUSER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 21, 2019

Mr. MEUSER. Madam Speaker, I rise today to recognize and honor Ms. Delina Rodrigues of Carbon County, who represented the United States at the Special Olympics World Games in the United Arab Emirates. Delina took home three medals from the games: a bronze medal in the bench press competition and two gold medals in the deadlift and overall lifting events.

Delina's success at the Special Olympics is the result of her many years of hard work and dedication to power lifting and track and field events. Having competed in various sports for Carbon County's Special Olympics Organization for fourteen years, she continues to exhibit great mental strength, athletic skill, and sportsmanship as she competes on the global stage.

In addition to her outstanding athletic accomplishments, Delina is also a graduate of Carbon County Technical Institute. She is a great representation of the values we hold dear in Pennsylvania's Ninth District: courage, enthusiasm, and perseverance.

Madam Speaker, I ask that my colleagues in the U.S. House of Representatives join me in celebrating Delina's remarkable achievements and wishing her continued success in all her future endeavors and competitions.
